**Abbreviations:** CI = confidence interval, NA = not applicable.

\* Disability was defined as an affirmative response to the following survey item: “Do you have serious difficulty seeing, hearing, walking, remembering, making decisions, or communicating?”

<sup>†</sup> Weighted percent. Respondents missing disability status were excluded (n=135).

<sup>§</sup> Prevalence ratio comparing vaccination status or intent of people with a disability to people without a disability.

<sup>¶</sup> Reported receipt of two doses of Pfizer or Moderna vaccine or 1 dose of Johnson & Johnson/Janssen vaccine.

\*\* p<0.05 for prevalence ratio.

<sup>††</sup> Reported receipt of one dose of Pfizer or Moderna vaccine.
